LES SOURCES DE CHEVERNY
VAL DE LOIRE

Welcome to Le Spa des Sources

Le Spa des Sources awaits, located just a short distance from the gentle rustling of the trees in the forest.

This oasis of absolute well-being is a haven where you can relax to the sound of lapping, rippling water. Outside, there is a jacuzzi hooped of oak wood like a cask, filled with warm, relaxing and eco-friendly treated water. Inside, there is a pool and hammam built within a superb wooden structure where you can unwind.

Our signature face and body treatments bring you the promise of the unparalleled pleasure of wraps, massages, and beauty treatments made from grape seed extracts.

A fitness room fully furnished with WaterRower equipment is also available. WaterRower is specialised in manufacture of ethic and handmade non-motorised sport machines. A right mix between design and technicality due to the solid wood used and originating exclusively from reforestation.
